Notes for Rufus Morgan "Ruf" Mosley:

1. According to the story that was told by Mary Mosley LeCornu, the difference in the spelling of the name is because there was some type of disagreement between brothers and one brother changed the spelling of the name to Moseley. She did not say what the disagreement was or who had the disagreement but there is a different spelling with members of the same family.

2. Rufus was the proprietor of one of the first General Stores in the town of Timberville, Mississippi. Timberville later became Vardaman, Mississippi. A family picture shows Rufus in the mercantile store.

3. Deed to Land on Calhoun/Chickasaw County Line (Copied from Original Deed) State of Miss Atlanta Chickasaw Co. Know all me by these Presents. That we, M K Gilder, W. E. Gilder, L. J. Sanders, A. E. Rodwell

and N Crawford (heirs of Julia A. Walker deceased), are held and firstly bound to Rufus Mosley, in the penalty of four hundred and fifty dollars (\$450.00) for which payment will and truly be made, we bind ourselves, our heirs, executors and administrators, jointly and severly firmly by these presents: signed with our names and sealed with our seal, this the 31 day of May 1897. the condition of this bond is such that whereas, said parties first mentioned have bargained and sold to said, Rufus Mosley, certain tract of land, S 1/2 N. W. 1/4 S 2 T15 R1 East, Known as the Julia Gilder land there being eighty acres more or less, for the sum of four hundred and fifty dollars payable on the first day of January 1898. Now if the said sum be duly paid and thereupon said M. K. Gilder, W. E. Gilder, L.J. Sanders, A. E. Rodwell and N. Crawford, shall by deed, aline and convey to Rufus Mosley the Land above described with general warranty, then this obligation to be void, otherwise to remain in full force and virtue.

(Signed by M. K. Gilder, W. E. Gilder-by M.K. Gilder, his agent, A. E. Rodwell, L.J. Sanders, N. B. Crawford)

4. Family story told about Rufus Mosley- Charlie LeCornu, grandson of Rufus Mosley, told this story about his grandfather: Rufus had a General Store in the town of Timberville, later to become Vardaman. In dealings in the store, he treated everyone with respect. When he died this body was at the Mosley home in Vardaman. Some of the family members heard a knock on the door and when they looked outside, they saw a group black people standing there. One of them asked if they sing a song and maybe come in to pay their respects to Mr. Ruf, as he was known. The family told them they could pay their respects. They sang a song outside the house and then lined up to go inside to view the body. They wanted to pay their respects to the man who had respected them and treated them fairly. The attitude of treating everyone with respect was taught to Charlie and he in turn taught it to his children.

She died Sunday morning at Memphis in the hospital where she had undergone a very serious operation some four weeks ago. (This article first appeared in "The Calhoun Monitor" on July 5, 1917). This was the first wife of Bud Blue.

2. After the death of Effie and until his death in March, 1951, Bud continued to live in the house. The house and contents were taken by Bud's son Travis. There was some question concerning Effie's will and how the property was to be distributed after Bud's death. From records, Mary LeCornu sued Travis Blue for the house and contents and won in court. From the record, there were some additions to Effie's will that was not in her handwriting. Most of the contents (pictures, family Bible, etc.) were returned to Mary.

1. From "Coaly Orchard" Jeanette Perrin Coaly on Ancestry.com: Lee went to school grades 9 through 12 1932 - Oklahoma Baptist University Training School. He was a Champion Hampshire hog breeder in Reed, Greer County, Oklahoma. In 1964 they lived at 623 North Oak Ave in Ada, Pontotoc, Oklahoma and another residence was 1938 Firrstown, Pontotoc, Oklahoma.

2. From Ancestry World Tree Project: Solomon Perrin Descendents: "Ada Evening News" Monday, Mar 22, 1965 Rev. Perrin Dies Sunday in Hospital One of the most beloved ministers in the Baptist Church, Rev. Lee Elmore Perrin, 623 North Oak, died Sunday in a local hospital. His illness culminated an illness of two weeks duration. He had devoted 40 years to the ministry, 18 years of which were spent as Banner Baptist Association missionary. He retired as associational missionary January 1, 1963. Born in Reed Okla., August 14, 1893, he held a Bachelor of Arts degree from Oklahoma Baptist University, Shawnee. He and Miss Mary Moseley were married Aug. 15, 1911. Rev. Perrin served nine churches as pastor and was a student teacher at Oklahoma Baptist University. He helped establish 30 missions, 12 of which are growing churches. His missionary report for the 18 years shows 180,602 miles, 2,804 sermons, 116 study courses, 106 revivals. There were 200 ministers under his

supervision when he first became association missionary. He often said he received the greatest individual help from a Methodist minister, his wife's grandfather, Rev. J. C. Schivally, a circuit rider, who organized the First Methodist Church in Ardmore. Despite his long service as a minister, this devout man once said "I wish I had started sooner. It's wonderful work, the hardships we've had have more than balanced by the joys." Rev. Perrin made the ministry what God intended it to be, the highest of all calling, the most exacting of endeavors. He grew up in a country store where everything was sold, from a paper of pins to John Deere plows, so it was natural he turned to store-keeping when he got out on his own. He also preached in a nearby church. The Reed Church ordained him in 1925. Two of his sons are ministers. Rev. and Mrs. Perrin and family came to Ada in 1936 from Shawnee from Reed. Surviving are the wife, Mrs. Mary Perrin, four sons, T. E. "Pat" Perrin, Joplin, Mo., Bill Perrin, Dallas, Tex., W. W. Perrin, Sherman, Tex., and Kyle Perrin, Lawton; four daughters-in-law, and eight grandchildren and one great-granddaughter. Services will be a 2 p.m. Tuesday in the First Baptist Church. Dr. Sam Scantlin, Oklahoma City; and Rev. Daniel Forrester, Allen, will officiate. Mark Reynolds, Charlie Bigham, Sam Skaggs, D. I. Fillman, Earnest Dew and Harvey Roberts will be casketbearers. Interment will be in Rosedale Cemetery, Smith Funeral Home is in charge of arrangements.

2. From Henderson Ancestry.com Nicole Henderson Source: U S Navy Department "Memorandum for File" date 29 September, 1944 "John Clifton Kendall died "at sea" aboard a merchant ship, the S. S. Jacksonville. The Jacksonville sailed from New York on 19

August, 1944 in a convoy of which five ships were enroute to Loch Eve, United Kingdom. It was loaded with all tanks full of 80 octane gasoline for the Allied forces. At 0830, on the 30th of August, 1944, the five ships formed in a single column, the S. S. Jacksonville taking the last station. At 1325, those ships bound for Loch Eve were detached to sail on their course, necessitating an eighty-six degree turn. The S. S. Jacksonville had just completed its turn and was in a position a few hundred yards from the point of the turn when the explosion - struck by two German torpedos which hit on the starboard side, between the stem and the bridge. The ships immediately burst into flames. No lifeboats or life rafts were launched. Two survivors jumped over the side into the flaming waters, swam away from the ship, were picked up by an escorting DE and landed at Londonderry. Total ship's complement was 78, including 49 merchant crew and 29 armed guard. It was stated that the sub had apparently noted where each ship in the Loch Eve section of the convoy had turned and was all set for the last ship. The orders for detaching this section had been transmitted by radio and the possibility was suggested that the sub had intercepted and decoded this message.

(UPI) - a 6-year-old Vardaman, Miss., girl died shortly before midnight Friday from diagnosed Rocky Mountain Spotted Fever, officials at T. C. Thompson Children's Hospital said Sunday. The victim, who was visiting grandparents when she was stricken with fever symptoms, was identified as Martha Marie Vanhorn. "The condition was diagnosed before she died," said nurse Juanita Hall, evening supervisor at the hospital. "We had her in the intensive pediatric intensive care unit. She had a rash, she was hemorrhaging. When she first arrive, she was placed on a respirator." The child was admitted to the hospital early Thursday and died between 11 and 12 p.m. Friday. An autopsy has been conducted and a report is to be issued later, hospital officials said. "I don't believe this is our first Rocky Mountain case reported this year," Mrs. Hall said. "We usually get one a month. This is our first fatal one." Rocky Mountain Spotted Fever is a disease caused by a tick bite with symptoms that include irritability, high fever, a pinkish rash on hands and feet, and respiratory distress. The infection is carried by the American dog tick, which is reddish brown with pale white or yellow marks on its back. Symptoms appear within four to 12 days after the infested tick has bitten the skin. The Vanhorn child was in Chattanooga about one week. Mrs. Hall said she believed the girl contacted the disease in Mississippi. She was the daughter of Mr. and Mrs. Charles Graham Vanhorn of Vardaman. Services were held Sunday at the Vardaman Baptist Church with Brother Jim Baine officiating. Burial was in Hillcrest Cemetery with Antony Funeral Home in charge. LETTER FROM MARY MOSELEY PERRIN TO JOHN VAN HORN (Letter as written) Feb 3 1964 Ada, Oklahoma Mr. John Rufus Van Horn.... Dear Cousin, We were happy to receive your letter of the 28th of Jan. As I was only 2 years old when dad & mother moved from Miss. to Texas, I only remember the folk there as mother & dady talked about them. they spoke of their brothers & sisters so often until I always felt as I had seen & meet them. Our sister we lost at the age of 31 was named for dadys sister "Rebecca" our brother Tom was named for our uncle Tom Moseley. I was named "Mary" for dadys mother. We had wonderful parents, dady & mother read the Bible to us & had the family Prayer to start the day off as it should be done in every home. every time the Church door's were open, we were all there. I'm so grateful for the good Christian home we were brought up in & for the good Christian teaching & training we had. When I married & began to raise a family I tryed to follow in the footsteps of our dad & mother. & raise our children up to be good Christian men. The Lord has been good to us. I married a boy 54 years ago come next Aug - he later became a "Baptist preacher" he did a wonderful work all through the year's. 4 years ago he had a stoke. hasnt been well since. he finally had to retire one year ago. he drives car to grocery store & around town, but Dr. forbid him driving out & as I don't drive we are at home. All our children married & moved away. We get pretty lonesome & the days seem long some time. I try to keep busy. I love to raise flowers, have several fish, two kinds of birds, so I manage to stay on the move. I have always said "I wasn't going to get "OLD" but I may get tired down the line. Well, since I have passed the "70th" mile post, I'm beginning to get a little tired at times. The Lord gave us 4 wonderful boys (we think) two of them preacher's, oldest boy, Pat, is in T.V. & Radio work in Joplin, Missouri, he has 3 children 2 boys 1 girl, in fact he has the only girl in our family. his girl married & has a girl 5 yr. old, which is our only "great-grandchild" they are precious to us. Next boy is preacher & singer. he was with the "light crust doughboy" as a singer out of Dallas Texas & has made number of recordings in his younger days, before going into the ministry (name Bill) our next boy, Woodrow is pastor of the Fairview Baptist Church in Sherman. he has a wonderful wife. they have two Boys 14 & 17. Our baby boy, Kyle & his wife are teaching school in Lawton, Oklahoma. they have two boys. 8-5. They have a large & good school's in Lawton. he has 2,300 children in the school where he teachers. (High School) We don't get to see our boys very often as their work keeps them close to home & my husband can't drive to visit them. You ask about our reunion. Yes have been having reunion - July here to fore. They were all together last July, except me. I couldn't leave my husband at that time. he is doing much better now. I hope they all get together this year before the weather gets so hot. as for me I had rather have reunion in later May or June. it gets awfully hot here. July & Aug - by that time the hot winds are flowing. in any case if we have reunion we will sure let you know. Would love to have you & any of the other cousins there that could come be with us. Nanie Lou has meet with us, She is the only child living of Aunt Millie & Uncle Hillery Crouch. Well my eyes aren't good as they once was. My thinking & writting, Spelling isn't good any more. hope you can read at least part of this. hope to hear from you again. Would like to know about "Clifford Mosely his where about. he visited us when I was a girl. love to all & may the good Lord bless with all the good things you have need off.

Letter from T. E. (Tom) Mosley to John R. Van Horn (Letter as written) Reed Oklahoma Dec. 15 1964

Dear John and all. at last I will try to answer your letter. I was glad to hear from the folks in the State of Miss.--Sorry to hear about your brothers condition. Cephus - Mattie and Pansy visited with us 2 days and nights about a month ago. Sure did enjoy the visit. haven't heard from either of them since I hear from all of them once a year. a Christmas card. Well I dont write them. We are having lots of rain and cold weather. had a hot dry summer. crops are light in this part of the State. very little cotton has ben harvested. We havent gathered any. the cotton here on the home place I think will be better than 1/2 bale but on the other place will be less. We always before made close to a bale per acre. The heart hurt worse than the dry weather. I never saw a crop like it the 61 years I ben here. We harvest cotton with machinery here. Most fields are too soft to get in. My hay crop was short but plenty to take the cattle through the winter. Wheat is good and will help the cattle. has Loda sold her home and come back to Vardaman? I think of her often. I wonder how her Rheumatism is. I went to see May in Oct. looks like she will loose her eye site in all she can do. tell all the folks in Dear old Miss. hello for me. Wish I could talk with all of them. I wish you all a very Merry Christmas and the best of health and happiness through the New Year. Write me when you can and feel like to be glad to hear any time come when you can. **Tom Mosley**

Letter written by Joseph C. Mosley to John R. Van Horn (Letter as written) Pampa, Texas 4 Jan 1965

John R. Van Horn - Dear John, What a pleasant surprise to get a letter from you. We have not kept in touch with you all back there as we would like to have, and we sure appreciate your interest & thoughtfulness in letting us hear from the folks back there. Have often wanted to visit the old home state but never have. Have had some interesting visits with Tommy since he visited back there. Sure Howards condition was clouding the visit but we are so glad to get news of you all and to he would have see more of you all. I still remember some things about the country but cant

remember about any of the Moseley, (was between 5 & 6 year old when we left there) and dont remember ever seeing them there. We (Pearl Pruett and I) married 57 years ago next July. Had 6 children, one died at age 5. One boy age 22 was killed during the War 1 girl at Cyril, Okla. have 9 grandchildren 12 great-grandchildren, all in fair health and have good jobs. We are retired but still find there is plenty to do that we can hep with. When we think of the over all picture, God has been patient, merciful & good to us for we have not alway done His will(none has) but thru his patience & mercy He has brought us to this time and we are greatful. You know yesterday our Sunday School lesson was on the temptation of Jesus. He stood firm and lived to give the Jews 3 1/2 years of oportunity to accept Him, they rejected Him the Jewish race has struggled to survive even since and we have in our short span of life known millions of them to perish. We shudder for America, are we the kind or type of people Paul had in mind - "having a form of religion but denying the power there of". Do we accept the Fame (?) but, deny the power, we frown on the scripture practices in the school room Yet we have to have (we think) the liquor revenue to support our national economy, while we live high on the future of our decendants. How these are national picture -- nations are made up of individuals -- and His invitation to them is "Whosoever Will" and this offer is to every one, and if we accept and "so loved" (John 3:16) as does He couldn't the world wide situation look different. god gives us a blue print of a Way of life that gives peace of mind and hope both here now & here after----- Pampa is a town of 24000 pop. Know for good school & churches also over 20 liquor stores & beer joints and as good neighborly people as one could find any where We like it here, climate is wonderful. Again I apreciate you letter John. We would like to hear from you again. Since Tommy gave you our addresses (of all of us) will not take the time to repeat his, - I corespond with Mamie Brewer (of Plymouth Mich.) uncle Alex Grisoms daughter but she doesn't know of the whereabouts of any of the Moseleys & will be glad to hear from you and all the news of the Moseley clan. There is 5 Moseley s here in Pampa 3 of us are sure we are related but dont know any farther back than Granddad. One of them here is from MO. We were Steward together in Harrah Methodist Church. still see him once in a while at the Laundry where I use to work and still pin ch hit for the manager when Vacationing fishing or visiting his kids. Well this will do of that.--- Visited Tom & Ed 3 weeks back Tom's health is failing fast. Mary Perrin (our oldest sister) is practicaly blind, Lee (her husband) is still gaining strength after a stoke (Tommy told of that) all the other kids are O. K. Mattie & Pansy Visited us in Nov. Pansy is in Calif. Mattie is in Dallas near where we land in -96. Where Dad farmed in -96 is covered with Brick buildings.....Well John let us hear from you again. Will be glad to write you God bless you all with everything needful for a happy useful life. Love & the best of Wishes for you all from Joseph C. Moseley 453 Pitts Pampa

AUGUST 29, 1912 - CALHOUN MONITOR - PITTSBORO, Mississippi

From "Misc. Calhoun County Monitor News Items, Miss 1912 era" Calhoun County Mississippi Genealogical website:

Vardaman is P. O. Name The daily papers last week contained a dispatch stating that the post office authorities had finally agreed to allow the name of the post office in this county known for the past several years as Timberville, located in the town of Vardaman, to be changed to Vardaman. The papers also stated that this change was due to the efforts of Congressman Sisson, who had worked long and faithfully toward this end. It will be remembered that this town was named at its founding after Gov. Jas. K Vardaman who was then governor of the state, and naturally the people desired the post office named the same name as the town, but the post office authorities refused to allow the post office to be called Vardaman and the cause is said to have been that Col. Roosevelt, who was then President, gave strict instructions against it. Roosevelt doesn't like Vardaman on account of some pretty hard thing Vardaman said about him. We are glad of the change.

STATE OF MISSISSIPPI
COUNTY OF CALHOUN

AGREEMENT

THIS AGREEMENT made and entered into this day by and between Mrs. Mary Lecornu, hereinafter called "party of the first part", and W. T. Blue, hereinafter called "party of the second part", both resident citizens of Calhoun County, Mississippi, to-wit:

Whereas, the party of the second part probated an instrument purporting to be the last will and testament of Mrs. W. W. Blue, in Cause No. 5390, in the Chancery Court of Calhoun County, State of Mississippi, the probate of which said instrument was set aside by said Court in the suit of the party of the first part against party of the second part, in Cause No. 5429, in said Court, the court having decreed that the said instrument was not wholly written in the handwriting of Mrs. W. W. Blue; that in Cause No. 5429, a last will and testament of Mrs. Effie Blue, also known as Mrs. W. W. Blue was admitted to probate; that in the last named will, bearing date of March 20, 1948, all of the real estate belonging to the said testatrix was bequeathed to W. W. Blue, husband of the testatrix for and during his natural life, with remainder in fee simple to Mrs. Mary Lecornu, and all of the personal property of the testatrix was bequeathed to W. W. Blue; that W. W. Blue departed this life about March, 1951, leaving as his sole heir at law, his son, the party of the second part.

That for the purpose of winding up the affairs of the estate of Mrs. Effie Blue, and settling the differences between the parties hereto, the said W. T. Blue, party of the second part does hereby agree that no appeal of the decision of the Court aforesaid, rendered in Cause No. 5429, will be taken by him to the Supreme Court of Mississippi, but that the decree rendered in said Cause will stand; that he will turn over to Mrs. Mary Lecornu, party of the first part the family Bible, pictures of the Mosley family, including the picture of a dead sister of party of the first part; that he will make no claim for taxes paid on the real estate belonging to the estate of Mrs. Blue, against party of the first part or said property; that the said real estate of which Mrs. Effie Blue died seized and possessed will immediately turned over to party of the first part by party of the second part up execution of this agreement, and

That in consideration of the above, the party of the first part, does hereby release the party of the second part, from any and all claims for rents on the lands herein mentioned which have been in the hands of the party of the second part since the death of W. W. Blue. The said W. T. Blue, and the personal property belonging to the estate of Mrs. Effie (W. W.) Blue, deceased, is hereby released from all liability of the cost of a monument to be placed at the grave of Mrs. Effie Blue, as was provided in her will and testament bearing date of March 20, 1948, and admitted to probate in Cause No. 5429, of above named Court.

The parties agree further, that the administration of the estate of Mrs. Effie (W. W.) Blue, in Cause 5390 of said Court, and that W. T. Blue will wind up the affairs of said Administration, at his own expense, the Administration having of course been on the personal property which under the laws of descent and distribution belong to W. T. Blue as the sole heir at law of W. W. Blue, deceased.

Witness our signature in duplicate original, this the 26 day of December, 1952.

Signed: Mrs. Mary Lecornu, Party of the First Part
W. T. Blue, Party of the Second Part

The above was signed in front of Notary Public C. E. Lecornu, who placed his seal on the document.

Vardaman One of County's Best Towns; Good Markets

Vardaman is a town made up of about 800 of the happiest souls on God's green earth. Proud of our county, community, town and people.

The foremost enterprises in our town are the churches and school. We have three church buildings, Baptist, Methodist and Nazarene. We have an organized Christian church but they do not have a building. Our home ministers are Brother E. T. Putman; pastor of the Baptist church and Bro. T. W. Smallwood pastor of the Methodist church. Both churches are alive and both preachers are efficient in their work and the most loved men in town.

We boast of having one of the best high schools in North Mississippi. We have a very [able faculty], consisting of Prof. C. B. Sisler, Supt.: Mr. Bell, Miss Earnestine Gust, Mr. Earl Blue, Mrs. Inez Summerall, Miss Clara Christian, Miss Idell Landreth, Mrs. Essie Cochran, Miss Ruby Sanderson: Miss Irene Parker, Litreary [sic]: and Miss Rhodes is in charge of the Music department. Our school building measures about 80 feet by 140 feet, two stories high with a small building outside for the primary grades and it is only a matter of a year or so until we will have to increase the room to take care of the increase in attendance.

We have twenty two houses of business made up of able business men. Some of the most complete stocks of merchandise to be found in this section of the State are to be had here in Vardaman. In addition to this we have the best country hotel you can find anywhere, a good telephone system, handle and planer factories together with an up-to-date gin that can get all the cotton off the seed.

This is recognized as the best cotton market [line too light] and rank with the highest in this part of the state, at all times you can get the top for your cotton and other produce.

Sweet potatoes are raised very extensively here and we have a large public storage house for them in charge of Mr. J. L. Garmany. It was said by a traveling man that he never heard the name Vardaman without thinking of a sweet potato

You see we do not have to rely on King Cotton for a living. We have strawberries in a small shipping way but we anticipate a large increase in as much as we have over 100 acres pledged for this fall. This will enable us to ship every day by car lots during the shipping season.

We are on the East-West highway. It turns here and goes south across the Yallowbusa [Yalobusha] River bottom intersecting another highway under construction in Chickasaw county. We have a designated highway running from Hohenlinden in Webster County through Vardaman to a point in Pontotoc County.

Our town continues to grow, we have had several new residences added to our list together with the new businesses. - Publicity committee.
